Trash Valet Guidelines

These guidelines are in place to ensure uniformity amongst all occupying owners and tenants, along with avoiding any accidental pick-ups and / or miss pick-ups

Collection Times

Your trash must left out between the hours of **7 A.M. and 9 A.M**
Our staff signs in at each building ensuring that an arrival time has been logged.

Trash Preparation

- Residents must place all trash in **securely tied bags** and either place them inside a trash bin or directly outside their unit door.
- No Landscaping bags
- Trash bags shouldn't weigh more than 20lbs (abusive practice)

Compliance

Trash must be placed out within the designated time frame. Any trash put out after this time **will not** be collected. Additionally, improperly prepared trash that creates a mess may result in a violation and potential fines.

Prohibited Items

The following items are strictly prohibited. Any prohibited items left out for pick-up will not be collected

- Boxes of any kind
- Furniture
- Appliances
- Renovation materials
- Hazardous chemicals

WARNING!

Please only place trash intended for collection in front of your unit. We are not responsible for personal items left in trash bags. Trash left out too early may attract animals, and residents are responsible for cleaning any resulting mess
